

# Your 2012 Golfing New Years Resolution

Dear Member,

On behalf of Nick and I hope you all had a great Christmas and we wish you a healthy and prosperous 2012. Our role as professional coaches is to improve the quality of our customers golfing experiences, via providing first class golf tuition. For 2012 we are offering each and every member an opportunity to begin improving their game at a discount.

There are 3 tuition deals that we hope appeal to you, one is for discounted group tuition, one is a discounted individual assessment and the last one is a 3 for 2 discount deal. You can choose either one of the deals or all 3 if you really want to start 2012 with a bang.

Here are ideas to help you choose which offer suits you the best. Individual tuition is the most effective way of taking tuition as you get more attention time, however it is more expensive. An assessment is more of an introductory session to see if you like what we've got to offer. This may lead you on to either individual tuition or group tuition. Group tuition is more cost effective way of improving your game, but has less attention time. Either way we would love to see you at the Golf Range so we can begin to "Drive your game to the next level".

## Group Tuition Offer

Both coaches will provide group tuition classes during the months of January & February. Paul class will be on a Wednesday's at 8pm-9pm and Nick's will be at 7pm-8pm on a Monday.

There will be a maximum of 9 participants per class, on a first come first serve basis. If demand exceeds expectation, either Paul or Nick or both of us will provide another class.

Please note that there must be a minimum of 6 players for a class to proceed.

If a participant misses a week it cannot be carried forward.

This is an ideal opportunity to experience a typical group tuition session at the golf academy in a fun and relaxed atmosphere. Why not bring along a friend and give it a go together.

Group tuition is a cost effective way of improving your game.

This offer will cost £20 for 4 consecutive weeks tuition only £5 per week including golf balls to hit (Normal price is £28 for 4 weeks).

All tuition must be taken by 1<sup>st</sup> March 2011.

The "Golf Game Assessment" is an individual session.

To get the most out of your "Golf Game Assessment", we ask you to fill out pages 1 to 8 in the booklet provided. This will send you this on receipt of your booking.

From the information provided in the booklet and after filming and analysing your golf swing, we are able to create an improvement plan during your 60 minute session.
